HERE'S HOW TO PAY ONLY 30% OF RETAIL

To aid you in stocking up at a minimum of cost, I am making a special offer on the popular red dot ● varieties, where the sales usually peak up, and where I have propagated extra heavily: Choose 10 or more varieties preceded by ●, of any price, add up their regular RETAIL prices, and send me only 30% of this in full payment. Minimum payment under this special offer is \$20.00. You may order 1 or more of a kind, but there must be at least 10 varieties.

OUR WANT LIST

While our stock lasts and our need continues I will exchange any of the Iris on this Wholesale Sale List for any of the following. All exchanges to be at regular retail each prices. Let me know what you want and how many you can supply each of the following that you have, and what your retail price is on each variety: Azurite, Brass Accents, Cayenne Capers, Celestial Snow, Country Cuzzin, Cream Crest, Curl'd Cloud, Curtsy, Dawn Crest, Doctor K, Doctor Bob, Emma Cook, Green Echoes, Green Gables, Green Moss, Green Quest, Green Tracery, Marriott, Mary Lee Motter,, Melodrama, Mohr Lemonade, Opal Beauty, Pacific Panorama, Pretty Carol, Rococo, Sparkling Waters, Toll Gate, Utah Valley, Wayward Wind, Whole Cloth; also any new named Iris or seedlings that sometimes rebloom in summer, fall or winter, and not listed by us. The simplest way to indicate your wants is to send me a FULL list of all varieties on this Sale List that you would like to have, and mark in front of each the maximum number of rhizomes that you can use. Then I will adjust the quantities sent you according to how much of your stock I can use, considering the various other offers I have at the same time. Please do not ship any Iris until the exchange is arranged.

YOUR GREATEST OPPORTUNITY TO SAVE IN 1961

IT WILL PAY YOU HANDSOMELY

TO ENRICH YOUR DISPLAY GARDEN DURING THIS GREAT SALE

People want to see the NEW things, and particularly the intriguing twice bloomers and the exciting new races of Tall Bearded Iris (Space-Age Iris, Colossals, Laced, Flats, Tangerine-Bearded and Approaches to Greens). So if you take pains now to make your display garden really interesting to them next spring, you will be well on your way to increased profits. Iris growers everywhere are finding out that display gardens pay off —if they are kept up to date in both varieties and the new races. A small investment now in the better new varieties and new races will lead to a greatly increased income in the years ahead. The future is for those who prepare for it! And if you should over-sell the stock in your display garden, you can easily get more from us next year at wholesale.

AVAILABILITY OF STOCK: This Wholesale Sale List is going simultaneously to over 1000 nurseries. So you can see that to stand a reasonable chance of getting all the stock you want you will have to order at once and by Air Mail. If you are in a cold area, ask for immediate shipment and your order will go out P.D.Q.—almost as soon as received.

QUALITY OF STOCK: All will be first class single rhizomes, freshly dug for your order and promptly shipped. All stock guar-

anteed true to name and to reach you in good condition. Our mountain-grown stock thrives in every state.

TERMS: Prices are F.O.B. Placerville, cash with order. Shipment sent express collect, or C.O.D. for the postage, unless you enclose postage at the rate of 7c per rhizome for all except Dwarfs and Lilliputs, which are 4c per rhizome. Minimum postage is 50c. Minimum wholesale order at these low prices is \$10.00. If less, please add 50c to help pay packing costs.

TIME LIMIT: These prices apply to orders postmarked Sept. 30, 1961 or earlier. Later orders accepted if marked that we may substitute, if sold out of some kinds.

MAKING UP YOUR ORDER: Please give for each variety ordered, the quantity, the applicable each price, and the total.

CATALOGS: Refer to my 1961 or earlier full-color catalog for descriptions and order blanks. Our supply of 1961 catalogs is exhausted. Let me know now if you would like to have a free copy of my 1962 full-color catalog sent to you next April. If you issue a catalog, price list or wholesale list, and have not sent one to me, please do so this year and next. I buy large quantities of stock each year, and you may have just what I need.

LARGER QUANTITIES: If you can use larger quantities than quoted, say one to several hundred each of several varieties, write AIR MAIL for special lower prices, stating the quantities you can use.

EXTRAS & SUBSTITUTES FROM YOUR LIST OF SECOND CHOICES

If you want us to select any needed substitutes, or send more of some kinds, please so state. If not, please don't forget to list, preferably on a separate sheet, a few varieties not on your order and in about the same price ranges, that you would like to have in case we are sold out of any. This will greatly facilitate the handling of your order and expedite prompt shipment, without any delays for correspondence. Also, whenever our stock permits, on orders of \$15.00 or more, we will send you some of your second choices as EXTRAS on your order. If you do not list second choices nor say "no substitutes," we will assume you wish us to select any needed substitutes, rather than hold up your order and write you.

EXTRA BONUS

on Orders of \$15.00 or More Sent Within 10 DAYS

I need your order back here real pronto, so I am making it very decidedly worth YOUR while to fill out your order NOW, and send it in right away. If you mail it within 10 days you may request, on any order of \$15.00 or more, and IN ADDITION to the very generous extras regularly sent on all orders of \$15.00 or more, a free rhizome of the Onco-like Oncobred ALLEGRIA for each \$15.00 of your order. Thus, a \$30.00 order will get 2 Allegria free. It is a \$3.50 value, and one that will attract a great deal of attention in your garden. If you prefer you may have free instead, for each \$15.00 of your order, any one variety with a retail price of \$3.50 or less and a ● in front of the name.

Varieties in FULL CAPS are shown in FULL COLOR in catalog "IRIS COLOR GUIDEBOOK"

N = Not in 1961 catalog; stock was too scarce for inclusion in catalog, but a few rhizomes are now available of each variety followed by N for those who order promptly. Many in the Re-Bloomers, Tangerine Bearded, Tall Bearded. Some very new and scarce; many very inexpensive. Hurry!

● = Heaviest wholesale discounts. If you want any of these, please hurry, as they will go like hotcakes.
